- Speed bag platform drum is available in 24 or 30-inch diameter.
- Multiple pop-pins for safety and ease of use when raising and lowering speed bag platform.
- Corner-locking screws reduce vibration.
- Professional-grade swivel included.
- Made in U.S.A.

The 24-inch and 30-inch diameter speed bag drums accommodate all speed bag sizes. The 24-inch drum is lighter, and easier to adjust; however, more demanding users will appreciate the increased responsiveness of the heavier 30-inch drum.

Bag sold separately.

* Standard configuration. Other attachments may be chosen, depending on your preference.
